**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose sonic as they provide a service that is faster and works than that offered by ATT

I do not want price hikes for telephone or DSL services

High speed internet is much better than dialup modems, as I can see information with some speed online. This makes shopping ofr my work better and saccess to information possible for my life.
